

NOTICE

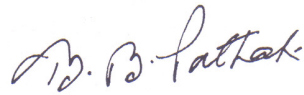

The Evening Courts at District level have been established pursuant to Central Government scheme to expedite disposal of petty cases.

Presently only one Judicial Magistrate is functioning in each District as Evening Court to conduct petty cases between 5 pm to 7 pm.

In view of difficulties expressed by the lawyers / Bar, and the reports received by the Court, parties have the option of getting their cases placed for day court proceedings only.

All District Judges and Evening Courts have already been advised to act accordingly.
